REQUEST FOR CONSIDERATION OF INFORMATION

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

The Examiner is thanked for indicating in the Notice of Allowance for the abovecaptioned application that Claims 1-11 are allowed.

In reviewing our records in preparation for payment of the issue fee, we discovered that Japanese Patent Publication No. 6-272761 was listed and enclosed in the Information Disclosure Statement filed March 31, 2004 and received by the United States Patent Office, as evidenced by its appearance on the Image File Wrapper for the above-identified application, but was inadvertently omitted from the form PTO-1449 that accompanied the First Information Disclosure Statement. For the Examiner's convenience, attached is a photocopy of the First Information Disclosure Statement; a form PTO-1449, listing JP 6-272761; and a copy of JP 6-272761 with English-language translation as previously submitted. It is respectfully requested that the form PTO-1449 be initialed and returned to the undersigned acknowledging consideration of the Japanese document.

Should there be any questions concerning this matter, the undersigned attorney for Applicants requests that he be contacted at the telephone number listed below.

Respectfully submitted,
